

## PERSONAL SURVIVAL PACKS PSP

IrvinGQ designs and manufactures Personal Survival Packs PSP primarily for the use of helicopter aircrew in the event of emergency egress.

Available either as a soft pack that is worn on the back or a fiberglass hard container that is carried in the aircraft seat and includes a seat cushion on the top.

- Available in soft or fiberglass pack
- Hard pack can be attached to parachute system for soft landing
- Sized to allow escape through the side window of a helicopter
- Single handed release for quick activation

### CONSISTS OF:

- Single seat life raft
- Survival aids (variance depending on environment)
